Heart Gallery Exhibit Promotes Awareness of Fostering Dependent Children

Dec. 3, 2014

Cal State Fullerton’s Master of Social Work Program is hosting a Heart Gallery Awareness event Thursday, Dec. 4, at the Pollak Library. The event is from 6 to 8 p.m. on the second floor of the library.

The Heart Gallery is a student-led exhibit aimed at raising awareness and promoting the adoption and fostering of dependent children in Orange County, through the display of photographs of dependent children awaiting a permanent home. The project is part of CSUF’s Master of Social Work Program.

The students collaborating on the exhibit have incorporated handmade posters as a way of humanizing their project. In this way, their efforts stay focused on the programs and individuals they serve.
